

Access Framingham & Framingham Rotary Club

After School TV Club

For Middle Schoolers with an interest in learning how to make Television from concept to creation , in understanding media, and working as a production team, AF-TV's After School TV Club will give dtudents an overall picture of the production process, including shooting, directing, interviewing, and performing ...with hands on learning!

TUESDAY AFTERNOONS, JANUARY 28 TO MAY 27

The program includes an introduction to studio production, where students will write and plan a production and work in a group to produce a program in our television studio. Students will also work with field production camcorders, learn interviewing skills and some basic media literacy. Program made possible through the support of the Framingham Rotary Club

The After School Club will take place at **Access Framingham**, 31 Flagg Drive, in the rear of the Fuller Middle School. AF-TV has its own entrance in the back corner of the building.
