January 23, 2014

Dear Parents:

Framingham Public Schools understands the significant impact of school schedules on student, staff, family and community activities. With this in mind, we are planning an Academic Calendar Survey that seeks your views on holidays, early release days, parent-teacher conferences and other related issues.

Designed by independent technology and communications firm K12 *Insight*, the survey will launch on Friday, January 24, 2014. If your email address is on file with the district, you will receive an invitation to participate. The survey will also be accessible via a public link on the district's website at www.framingham.k12.ma.us. All feedback is confidential, with responses anonymous to FPS staff, so please feel comfortable answering honestly. Once the survey closes on Friday, January 31, 2014, we will share the results.

Thank you for taking the time to participate. We value your perspectives, which will help ensure a 2014-2015 academic calendar that reflects our core beliefs in learning, diversity, collegiality and individual responsibility.

Sincerely,

Dr. Stacy L. Scott
Superintendent of Schools
