**Cameron Middle School**

## **Annual Adult Team 2014 Spelling Bee**

Join us and become part of a Framingham community tradition - a spirited event in support of enriching the education of Framingham Public School students!

Since 1990, Framingham businesses, organizations and schools have come together for an exciting night of friendly competition to support our grant program. Every year, the Framingham Education Foundation awards thousands of dollars to talented Framingham Public School teachers who wish to pilot innovative educational projects in their classrooms. The Spelling Bee is the major source of funding for these grants.

*All proceeds from the Bee will go into classrooms this year!*

The Framingham Education Foundation Spelling Bee is a team event. Each team is made up of three adults and teams compete in elimination rounds. The winners of each round compete in the Championship Round. A trophy and bragging rights will be awarded to the winning team. Framingham Flyer News will videotape the event, which will be seen on the local Framingham cable channels and a program booklet listing contestants and sponsors will be distributed to all those in attendance.

All spellers and sponsors are invited to a pre-Bee dinner at 6:00 p.m. in the Cameron Cafeteria. We don't want any hungry spellers!

To participate, each team makes a tax-deductible donation of \$350.

The Framingham Education Foundation is a non-profit, tax-exempt organization whose mission is to enrich and enhance the education of students in the Framingham Public Schools by helping to provide programs that create and support an innovative learning environment.

Our supporters believe that a strong public school system is essential to the future of Framingham.

Come and compete for the title of "Framingham's Best Spellers"!
