Dear Parent and/or Guardian:

Framingham Public Schools would like to welcome you and welcome back users from last year to The Family Connection Portal. In an effort to maintain accurate data and ensure the safety of your student in the event of an emergency, we are requesting that you create or update your Family Connection Portal account. This will verify your address and primary contact information and let us know your student's transportation needs for the school year. Please submit this information for each one of your students.

Computers are available for use at the Framingham Public Libraries.

If you have an existing X2 Aspen Parent Portal account, please continue using your X2 Aspen portal for access to report cards.

Very truly yours,

Dr. Stacy L. Scott
Superintendent of Schools
