

FRAMINGHAM HIGH SCHOOL ATHLETICS NIGHT

Tuesday, March 7th @ 7:00pm

(open to middle school students, grades 6-8)

Framingham High School Athletics will be hosting an informational meeting for middle school parents and athletes in the FHS Auditorium. The purpose is to introduce any athlete in grade 6-8 to high school athletics and what we offer here at FHS.

I am encouraging all Youth Sports Administrators in Framingham to be present that night and encourage any of their participants at the middle school level to attend.

We will have a highlight video, a panel of current and former athletes from all different sports who will discuss their experience playing at FHS, and I will address the audience to answer questions that people may have in regard to playing sports at FHS.

Please pass the message to anyone you feel will be interested in attending.

We look forward to seeing you there!

Interim Athletic Director
