Did You Know?

- * 925 million people are hungry. That's more than the population of the U.S. EU, and Canada COMBINED.
- * 1 out of every 8 people are hungry.
- * Every 5 seconds a child dies from hunger.

Global Citizenship

The idea that as citizens of the world we have responsibilities to each other and the Earth. We are focusing on global themes such as hunger and poverty to raise awareness so that we can make the world a better place.
